MNAF3 Arabia Group

## Chairman's Message

Welcome to MNAF3 Arabia Group of Companies (MNAF3). MNAF3 embarked on its journey at the beginning of the last decade in the Eastern Region of Saudi Arabia. Today, MNAF3 has forayed into Healthcare, Engineering and Construction, Wellness, and Real Estate Development sectors.

MNAF3 is emerging rapidly with many leading franchises of globally reputed brands and we dedicate our success largely to our perseverance and passion for continuous improvement. These traits have been the catalyst that has empowered us to forge long standing alliances, joint ventures, dealerships and license arrangements with many leading worldwide organizations within a short span of time.

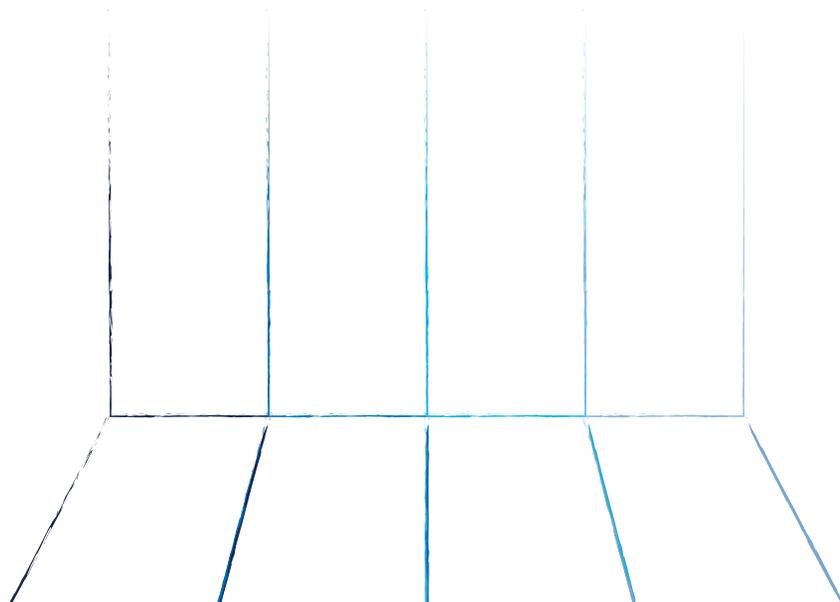

We take pride in serving the society and communities by unconditionally devoting our products and services that touch the lives of people in many ways. Our primary goal is to provide products and services that meet international standards at affordable prices without compromising our quality.

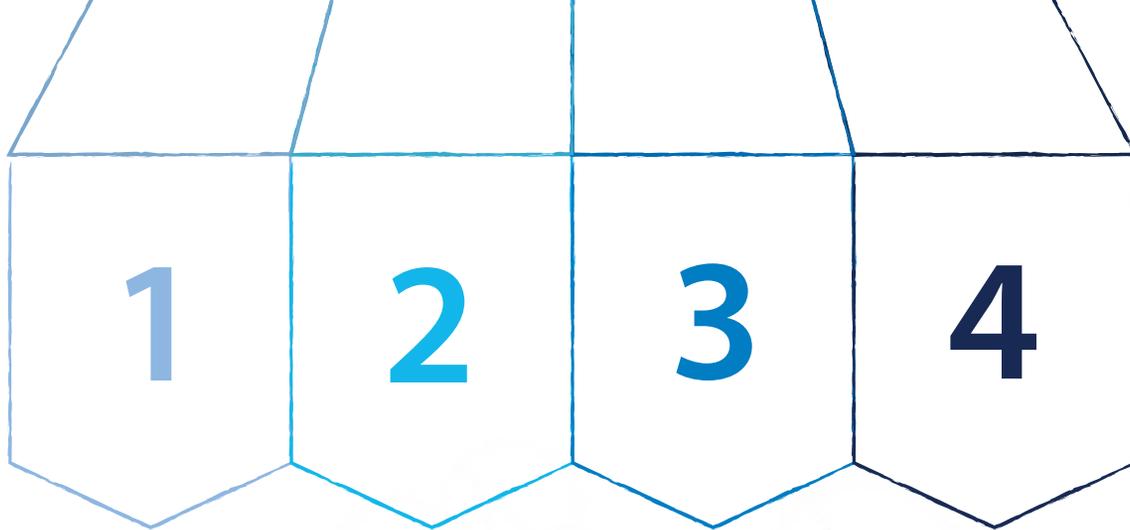

Our businesses are largely dependent on embracing technology and automation that is vital in delivering our commitments and is seen as leverage in meeting the modern day to day challenges. We do firmly believe that the people behind it, with their relentless commitment and enthusiasm, are the force that holds the key to our success.

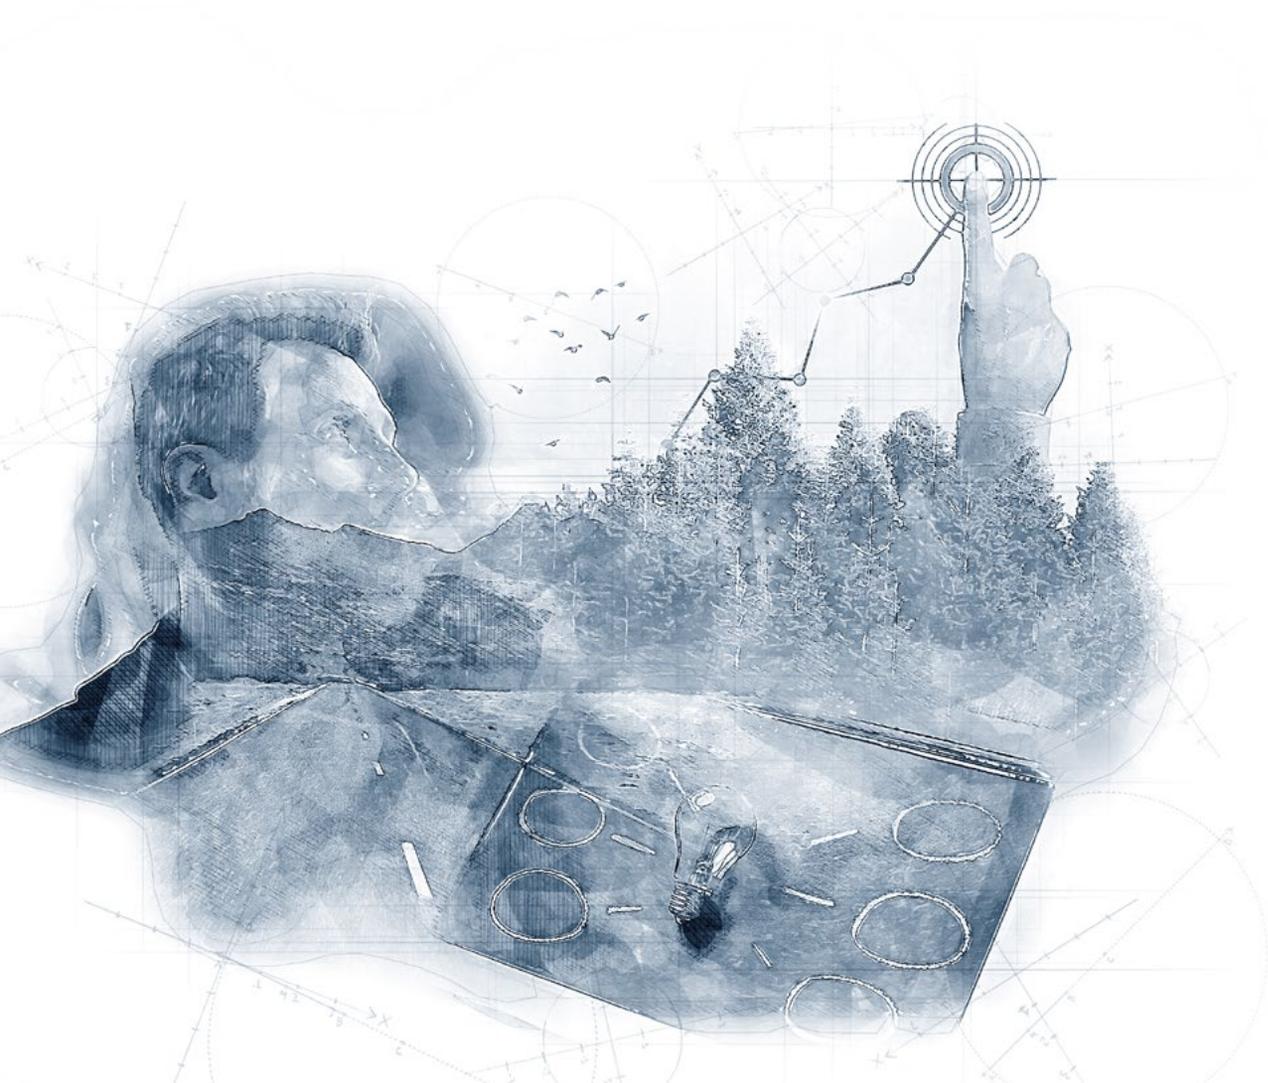

MNAF3 is poised to meet the challenges of the future and actively participate in the growth of Saudi Arabian economy for the common good of all citizens.

I would like to express my sincere appreciation to our customers, suppliers, colleagues, and business partners, who have stood by MNAF3 Arabia Group at all times and have made significant contributions to its growth and success.
